### About Whitemud

**Whitemud Ironworks Group** is a fully integrated steel fabricator and erector that specializes in structural and miscellaneous steel projects. Being a group of three companies, *Whitemud* is well positioned to serve the Western Canada market with established construction crews and three fabrication facilities located in Edmonton, AB and Surrey, BC, totaling over 100,000 square feet. After 20 years of continuous expansion, *Whitemud* is now a vertically integrated company that has control over all resources required to estimate, manage, design, fabricate and construct steel structures. Our ambitious growth also recently allowed us to expand our business into the U.K. and Philippines.
